

Together, Texans are fighting the opioid crisis.

1 in 4 Texans has experienced an opioid overdose or knows someone who has. If you or someone you love is struggling with prescription opioids, treatment is available and recovery is possible.

WE CAN END THE OPIOID CRISIS

The Texas Health and Human Services Commission Texas Targeted Opioid Response protects Texans by expanding access to:

- Prevention awareness
- Treatment services
- Recovery support
- Integrated Programs

Learn what you can do to protect yourself & your loved ones at txopioidresponse.org.
